SCHOOL BACKGROUND INFORMATION

Harlington School is a large school in the southernmost part of the London Borough of Hillingdon. After a period of very high student mobility, the school is now successful and oversubscribed.

We are a Foundation, mixed ability comprehensive school, with a small Specialist Resource Provision for children with Physical and Sensory Disabilities. The School has been in the top quintile nationally for FSME6, EAL and mobility for a number of years, but since 2016, we have moved nearer to the national average for deprivation, although we are still in the 4th quintile. Prior attainment on entry is below the national average in all year groups, but the number of highly able students is increasing year on year. Our staff and students are passionate, friendly and diverse, hailing from across the globe. More than 60 languages are spoken at the school, and we are renowned for our inclusive, supportive culture. Our admissions policy includes priority placement for the children of staff. Currently we employ approximately 162 staff, including teachers, associate staff and apprentices. We also host up to 20 Beginner Teachers every year, from a number of ITT providers including the Hillingdon SCITT, a number of universities and we also train colleagues from Teach First.

The school has a number of links with other schools, and external accreditations. We are an IQM Flagship School, an ArtsMark Gold School and are pleased to be in receipt of the Schools' Wellbeing Award. In September 2018 we were featured in the Parliamentary Review:

<https://www.theparliamentaryreview.co.uk/organisations/harlington-school>

In our most recent OfSTED Section 8 inspection in April 2018, the school was judged as continuing to be Good.

NEW TO THE TEACHING PROFESSION?

Your training and development needs are fully supported in your ECT years and beyond. We have a full time professional tutor in addition to your faculty mentor, to guide and support you and there is a weekly ECT training programme in addition to other professional development programmes. Loadings are reduced, and we give you a classroom that is located near to more experienced staff in the faculty. Wherever possible we look at not only the number of periods you teach but also the number of classes that you are responsible for, in your first year.

We actively promote collaborative and reflective practice, and support colleagues who are new to the profession in developing positive relationships and effective behaviour management strategies, as well as developing effective techniques to reduce workload. We know that the first couple of years in the profession are hard work as you develop your craft, and we encourage you to share in your successes, but also not be afraid to ask for help if you need it.

We offer the opportunity of paid employment for the last three weeks of the summer term prior to September contracts commencement.

TEACHING STAFF: LEARNING, ASSESSMENT AND PROFESSIONAL DEVELOPMENT

Teaching is good at Harlington as a result of a whole school commitment to continual discussion and improvement of the teaching craft. We have reduced teacher loadings for many teachers to create a weekly Joint Planning Time for subject areas during the school day, and we have used our training day provision to create regular Teacher Development meeting slots after school. We have a Teaching Team comprising of Lead Practitioners and a Professional Tutor who are highly regarded for their support and CPD programmes for all staff. Staff who are relatively new to the profession are given time, energy and

care to support their training. We very rarely ask teachers to teach outside of their specialism, and we are investing heavily in developing a trust based, coaching model. As a result, teaching quality has further strengthened since OfSTED judged it to be good in 2015, and this was reconfirmed in the recent 2018 Section 8 visit. We are highly regarded by Teach First and a number of universities, who place large numbers of Beginner Teachers on placement with us. Staff are encouraged and supported to gain additional qualifications, and we currently have staff undertaking National Professional teaching accreditations, as well as Lead Practitioner and Masters' Degrees. There are 'step up' programmes for emerging middle and senior leaders, and coaching opportunities for the Middle and Senior Leadership Team. Preparation for Headship is established, with 4 colleagues either undergoing or have completed NPQH, the 'Head for a Day' Programme.

We are developing our virtual learning platform, migrating to Microsoft Teams this year for student communications, remote learning and pedagogy to provide a wider range of curriculum resources to students. We are actively moving away from 'marking' to 'feedback', and developing best practice in moderating students' work when evaluating progress.

ASSOCIATE STAFF: ETHOS, VALUES AND PROFESSIONAL DEVELOPMENT

Associate staff are expected to be committed to supporting and educating young people, whether or not their job involves working directly with the students. Everything that we do is to provide a high quality educational experience for our students. Associate staff are encouraged to develop their own professional development and have equal access to the staff development budget. We are currently supporting entry level and higher level apprenticeships in finance and learning support, and we have a great track record in supporting staff into teacher training from a learning support assistant background. Industry accreditations such as CLEAPPS and HAS training is also encouraged and supported.
